- Mark Johnson, ILL [johnson@ill.fr] (*excused*)
- Laurent Chapon, ILL [chapon@ill.fr] (*excused*)

Secretary: Brigitte Dubouloz <dubouloz@ill.fr> +33 47620 7226

Programme

If you arrive before 14:00 and wish to eat at the canteen, come to my office (ILL4/221) to get a workshop badge. You can leave your luggage there. Present the badge at the cashier (if you do not have the badge, indicate that you attend the NMI3 WP6 Data Analysis workshop).

Thursday July 5, meeting room ILL1-7/8. 14:00-18:00 with coffee break at 16:00

- Welcome (E. Farhi)
- WP6 scope and tasks (E. Farhi)
- Task 1-2: report on current software and practices (R. Leal)
- Mantid presentation (J. Taylor ?)
- Feelings from partners about Task 1-2 and existing software/practices
- Schedule for Task 1 and Task 2: report on current software and solutions for common infrastructure.

Thursday evening at Restaurant Les Mouettes, 13, quai Claude Bernard, Grenoble (19:30). We will organize car pooling to go to the restaurant. You can also reach the Restaurant getting bus 34 (heading to Premol from the ILL), at the Emile Geymard stop.

Friday July 6th, meeting room ILL1-7/8. 9:00-12:00 with coffee break at 10:30

- Task 3-4: prototype definition (iteration 1 – early design phase)
- Feelings from partners about Task 3-4
- Framework for the prototype
- Functionalities to target
- Possible coding solutions and initial schedule
- Schedule for task 3-4: prototype coding and evaluation

End of meeting at July 6th 12:00.

Accommodation

Hotel in Grenoble for external visitors will be booked by Brigitte, upon confirmation of attendance. Travel (up to 400 euros continental trip) and accommodation funded directly by the our WP6 budget. Reimbursement forms will be available during the meeting. The workshop badge will grant you to cover lunch costs (July 5th and 6th lunch).
