

Società Italiana di Spettroscopia Neutronica

Learning Days of the Italian Society of Neutron Spectroscopy 13- 22 September 2014

(Giornate Didattiche della SISN 2014)

Introduction to neutron techniques for condensed matter studies, with applications to Physics, Chemistry, Biology and Earth sciences

**First Session:
13-17 September**

Hotel Steinpent
San Giovanni
Valle Aurina
(Bolzano), Italy

**Second Session:
18 - 22 September**

Institut Laue Langevin
Grenoble, France

Directors

C. Mondelli (CNR-IOM c/o ILL, Grenoble, France)
E. Guarini (Univ. Firenze, Italy)

Info: <http://www.sisn.it/>
